

# Network <sup>CB</sup>23 Year 5 Careers Convention 2019

Tuesday 18th June 2018

8.30am—3pm

The Great Barn, Manor Farm, Bourn CB23 2SH

Network <sup>CB</sup>23 is a community of 15 schools in the South West of Cambridgeshire, the schools come together to organise a range of opportunities for the pupils including Masterclasses and competitions.

In 2015, 2017 and 2018 a Careers Convention was run for the Year 5 pupils with the aim of introducing the children to a wide range of career options and to help them make connections between learning and “working life” while still at primary school. These events have proved very successful in helping the children to raise their ambitions and value their learning, this is now an annual event.

## Can you inspire young minds?

We are looking for exhibitors from a diverse range of jobs and industries to come along and have a stand at the 2019 Convention. Ideally the stands need to be “hands on” for the pupils, with visual props for the children to touch (for example; uniform to try on, appropriate tools of the trade), information to look at and possibly short activities for them to do.

The pupils will have a Convention Booklet to fill in based on the information they gather from exploring all the stands, so you also need to be prepared to answer a lot of questions!

Network <sup>CB</sup>23: 15 schools working together to provide enhanced opportunities for all the pupils.

Barnabas Oley CE Primary School - Barton CE (VA) Primary School - Bourn CE Primary Academy - Caldecote Primary School

Cambourne Village College - Comberton Village College - Coton CE Primary School - Dry Drayton CE Primary School

Gamlingay Village Primary - Hardwick and Cambourne Primary School - Haslingfield Endowed Primary School - Jeavons Wood Primary School

Meridian Primary School - Monkfield Park Primary - The Vine Inter-Church Primary

### Set up on the day

Each exhibitor will have a table, access to electricity and a small amount of space for banners or other equipment. There is Wifi, however as this is a rural location, the reliability of the connection on the day cannot be guaranteed. Free parking and lunch will be provided for exhibitors, as well as tea and coffee during the day, we are however, unable to pay anyone for their time.

There are roughly 500 pupils in Year 5 across all 13 primary schools and they will be bused, in groups, to the venue during the day, so during each session there will be roughly 100 pupils and their teachers in the Barn.

Exhibitors set up time will be from 8.30am to 9am, with the first buses arriving shortly after that. There will 3 sessions in the morning and 1 in the afternoon with a break for lunch. The final session will finish at 3pm.

### Sponsorship Opportunity

The cost of the event is shared between the schools, however if any companies were able to provide sponsorship for this event, that would allow our limited funds to go further. The rural nature of our schools means that the transport costs for this event are quite high, as are the printing costs for booklets for 500 pupils. If your firm is interested in supporting this event then please do get in touch.

### Contact Details

If you are interested in coming along on the day and providing a stand, then please contact the Network <sup>CB</sup>23 Coordinator, Jill Foster. She will be able to provide any additional information you may require and will send you an Exhibitor Form to fill in.

Please do share information about the event with any partners you feel may also be interested and visit our website to find out more about the Network and the previous conventions
